Evaluation Information

Player Evaluations:

- **ALL EVALUATIONS HELD at the Parsippany PAL (33 Baldwin Road)**
- The purpose of player evaluations is to rate the skills of each registered player to create competitive and balanced teams. It is expected for all participants to attend the player evaluations, this is an **IMPORTANT** method so that teams can be formed as fair as possible. Though this is not a perfect system, it is a fair system and the best method available. All players are strongly recommended and encouraged to attend their original scheduled time slot, to utilize the full value of the clinic/evaluation.
