\*Please note, this is the **ONLY** basketball fundraiser for our PAL this Season. Last season, we had 2 requirements embedded within our Rec basketball program to help fundraise and continue to support our PAL building. We were able to give our basketball families a break from normal fundraising this Season - but we ask for your generous support and help here - with basketball pictures. Sal's Studio will graciously be donating back to the PAL based on the orders he receives. We ask all families to purchase and enjoy pictures, as a portion of the funds will benefit the PAL and continual building updates we are hoping to initiate.

*Thank you in advance for your support!*
