Parents,

Thank you for registering your child for the upcoming 24/25 basketball season. Basketball evaluations are around the corner so please be sure to review our website for your child's evaluation date and time.

This season more than ever is VERY important for your child to attend their designated evaluation time. This upcoming season coaches will play a vital role in assisting us with creating teams. Coaches will be our evaluators during evaluations and once evaluations are complete, all coaches in each division will come together to 'draft' their team with oversight from our basketball staff. We will monitor the drafting so all teams are fair based on evaluation results, but this also allows coaches to select some players they would like on their team. We do need to keep teams fair and equal so pending on the evaluations results, coaches may not get every player they wish.

Also note, we will be issuing \$49 refunds to all head coaches only in our league this year. If you are interested in coaching, please sign up ASAP at <https://parsippanypal.org/programs-events/youth-programs/winter/youth-basketball/basketball-coach/>. Coaches are a vital role in our program and without them the season would not take place. We cannot start this season without having a coach for all teams so please sign up ASAP!

If you have any questions, please don't hesitate to reach out. More season information will be sent out over the next weeks so please be sure to check your email regularly.

Thanks,
Ashley
